PROPERTY DESCRIPTION

Delightful 3 bedroom, 2 full bath home is in a highly convenient area--and it's quite a bit bigger than it looks from the outside. Built by DR Horton, it has a lot of upgrades and features to it. Coming into the home, you'll see a large foyer/walk way that opens into the back of the home with a large living area. The entire area is tiled with 18 tiles and feels warm and welcoming. There is also a ceiling fan. The minor bedrooms are located to the left when entering and are separated from the Master, which is to the right when entering. The owner is willing to paint the minor bedrooms. Clean, neat, very flexible move-in terms, and the priced well. This home is worth a serious look.
